Section 3

Desirable Criteria

The following information is to be provided to allow consideration of the application. These particular requirements are seen as desirable criteria of the AusGAP program and would need to be in place in your operation to allow for the completion of the AusGAP accreditation process.

Turf Production & Harvesting

Please give a detailed outline of the following:

Turf types under licence and production:

Include here any PBR and common turf-types in production and copies of any licences and their expiry etc.

Environment Management System (EMS) in place on-farm:

Include here any external EMS or Biosecurity measures engaged, if any - eg, ePar, Enviro-action etc.

Work Health & Safety (WHS) management practices in place:

Include here or attach any WHS policies and or evidence of manuals or external WHS consultant - eg WHS-at-Law, etc.

Turf weed, disease and pest management practices in place:

Include here any external service provider's details if any - eg, ITGAP, Pest Genie, etc.

Turf colour/fertilisation or other nutrient management practices in place:

Include here or attach nutrient/colourant management diary or describe activities.
